Subject: Cultural Resources Concurrence Request, Dennison Excavating LLC, Tom Fassio Mine, S/039/0038, Sanpete County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from Dennison Excavating LLC to conduct small mining operations in Section 2, Township 15 S, Range 4 E, Sanpete County, Utah. The proposed disturbed area was previously disturbed by hauling and dumping of large boulders and fill, supposedly from building excavation, and no cultural resources survey was conducted.

Because of the previously disturbed nature of the site, the Division has determined there are **No Historical Properties Present**, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

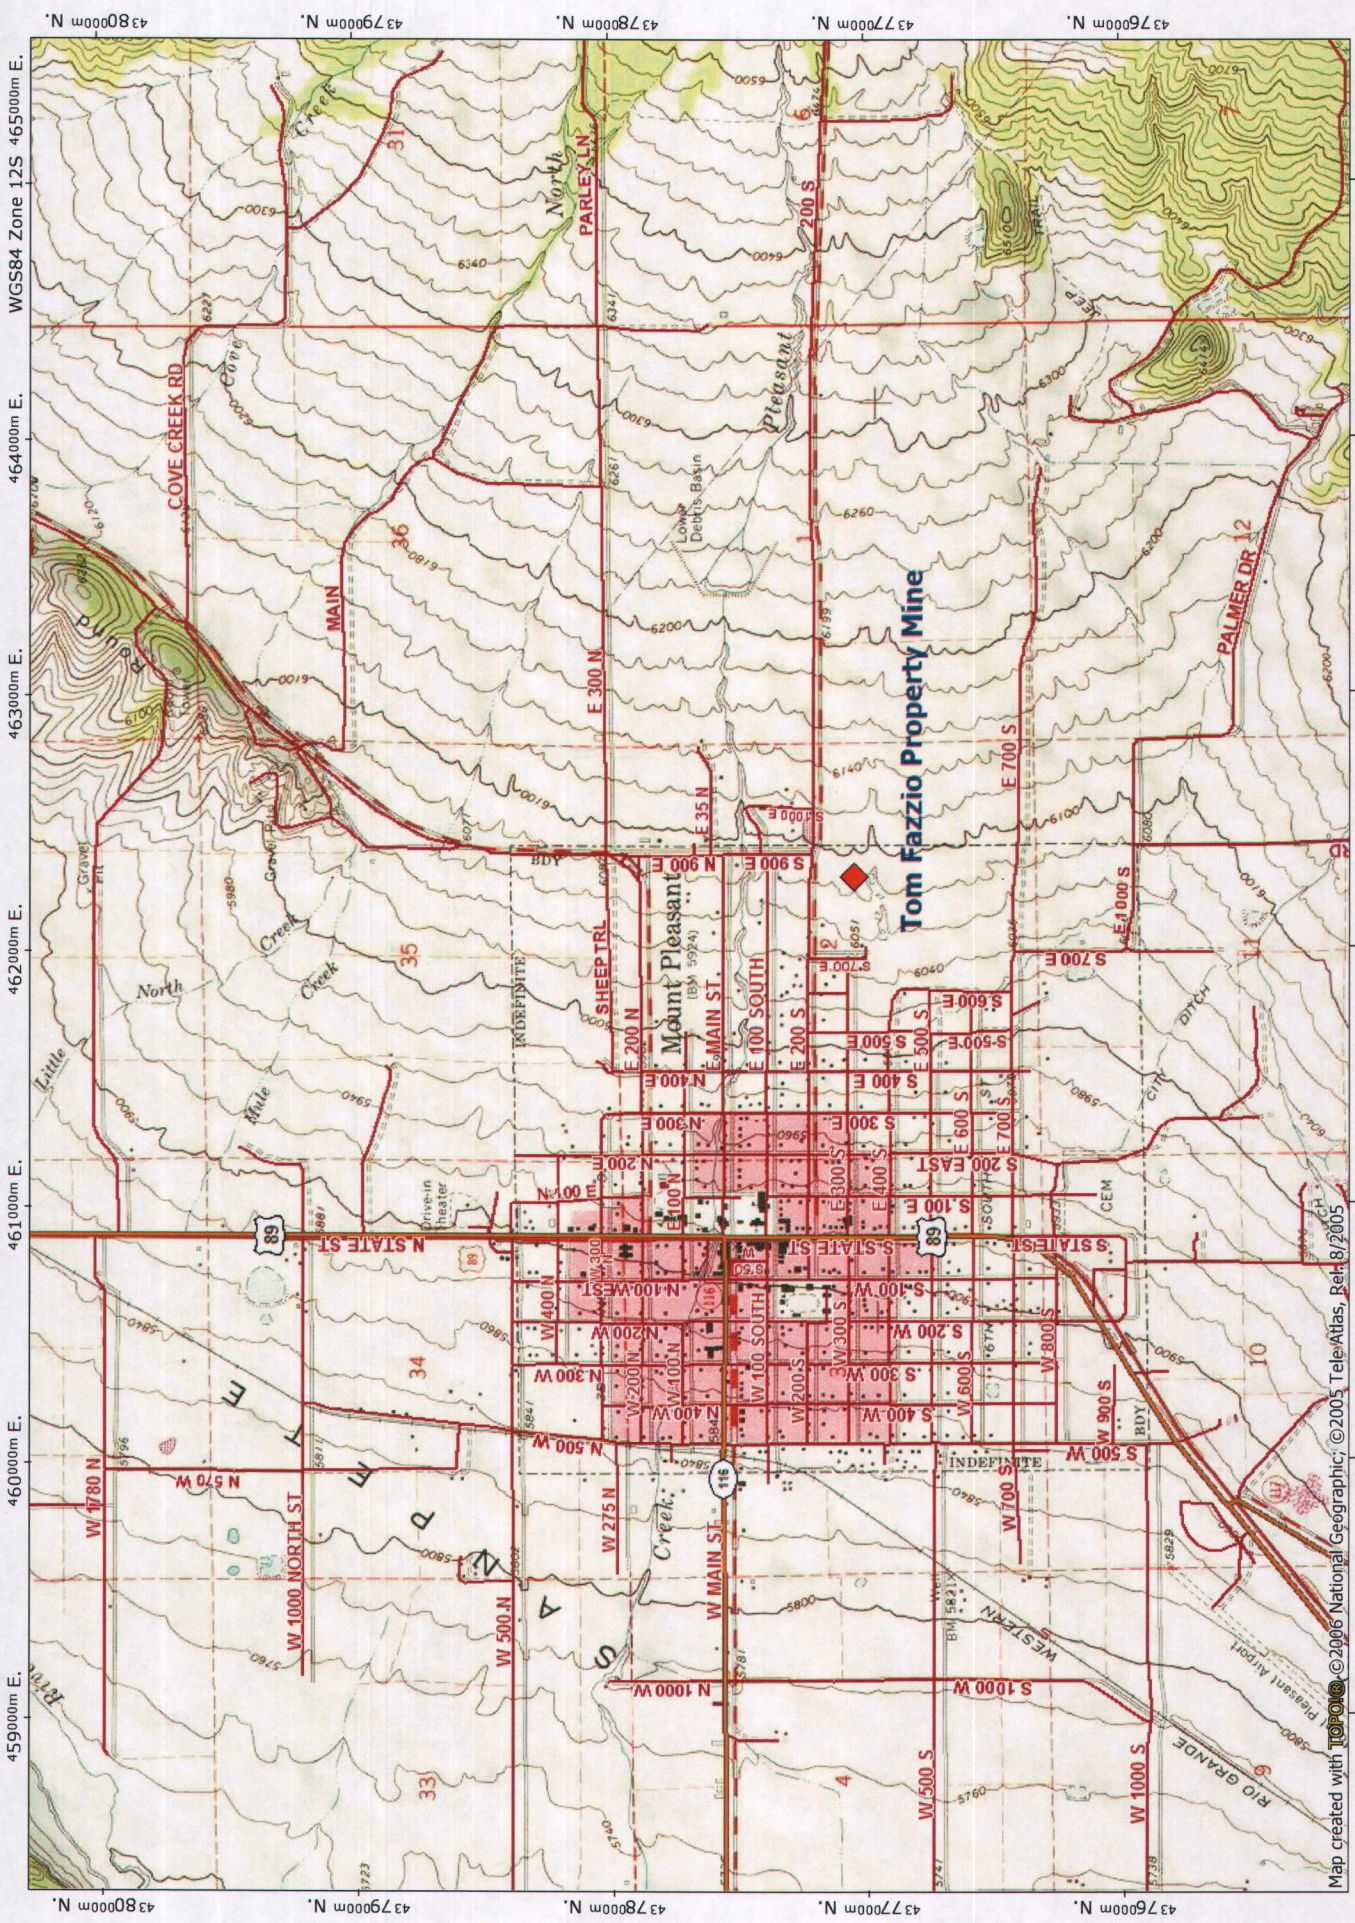

Paul B. Baker
Minerals Program Manager
